

Special offer for Tees Valley Law Society Members from IN'n'OUT Centres.

IN'n'OUT Centres offer stress free, convenient and competitively priced servicing and MOT's for all makes and sizes of cars and light vans.

**The special offer is a £50 Service (on any make or model of car) OR a £25 MOT (including re-test).**

The normal price for a service at their centre is £99 and a MOT is £49.

If your car requires a MOT and a Service at the same time, the most cost effective way to do this is to take the £50 Service offer (Usually £99, a saving of £49) and pay the standard £49 for the MOT (a £24 saving using the offer), this way you can have a Service and a MOT together for only £99.

The offer is also available to your husbands, wives, partners and children.
