The Tees Valley Law Society sends out a wide variety of information, the majority of which is circulated by email. As the software used to do this does not recognise "generic" addresses an individual address is needed – eg john.smith@lawfirm.co.uk, and NOT addresses such as admin@lawfirm.co.uk, enquiries@lawfirm.com or similar. You are welcome to give your personal home email address, if you prefer.

Your individual or personal email address is not shared without your consent.

Also, access to the members area of the website requires a personal email address

When your membership has been ratified by Council, you will receive a welcome email to inform you of this fact. You may need to add the address to your approved senders (or "white") list, as some servers block mass emailing programs.

Please give your preferred email address below, and indicate which information emails you would like to receive.
